SAME CHAPTER, NEW NAME

We are informed by Roxy Martin that the Golden Triangle Chapter is no more. Not really! Just a new name for the old group. They are meeting in the Leesburg Community Building and would like to be known as the "Lake County Chapter."

Mr. Martin was pressed into duty as president and the organization is working on new members and building up a good chapter. They are still going to put on the show this September 27th.

Other officers are Mrs. Gage Zigler - Vice Pres., Mrs. Francis-Guld - Secretary-Treasurer.

They have asked that all members turn out for the show and help them out, with bloom and any assistance you may be able to give.

Whatever troubles Adam had,
In bygone days of yore
None could say, when he cracked a joke,
"I've heard that one before."
